

## *2021 PSC SPOUSES' CLUB SCHOLARSHIP CRITERIA AND GUIDELINE*

The Peterson, Schriever, Cheyenne Mountain Spouses' Club (PSC) is a private organization developed as a charitable social forum for spouses and dependents of our military members and the surrounding military/civilian community. For many years PSC has offered scholarships to military and Department of Defense (DoD) civilian dependents residing in the Colorado Springs area.

### **Eligibility Criteria**

This year, several merit-based scholarships will be offered to dependent high school seniors and spouses continuing their education in the Fall of 2021. Eligible applicants must be pursuing degree/diploma or certificate from an accredited 2-year or 4-year college or university, technical college, or vocational school. Additionally, eligible candidates must meet the following criteria by the application deadline: 15 March 2021

- Be a dependent whose parent or spouse is on active duty and stationed at Peterson AFB, Schriever AFB, or Cheyenne Mountain Air Force Station, or a geographically separate unit (GSU) of one of these locations where no other Spouses' Club Scholarships are available, **OR**

### **Selection Criteria**

Selection will be based upon scholastic achievement, demonstrated leadership, community service, and extracurricular activities. Applicants will be notified by 30 April 2021 of their selection status.

A scholarship is awarded to any applicant only *ONCE* and must be used or refused by December 2021. Recipients who receive an appointment to a military academy are ineligible to receive a PSC Scholarship. If a selectee cannot accept the scholarship, the award will be given to an alternate selectee in order of merit.

Scholarship awards may be used for tuition, books, housing, and any other student related fees. Scholarships will be presented in person to the selectee at the PSC Scholarship Award Reception held in late Spring 2021.

Once enrollment has been verified at the school listed, the Welfare Treasurer will send a check directly to the institution's financial aid office.

***The PSC reserves the right to increase, decrease or withdraw any or all funds due to unforeseen circumstances.***
